## Financial Support of Alumni

All of us know that alumni are the assets of an institution. Each and every alumnus has played an important role in the financial development of their alma mater. The alumni have generously contributed to the institution's development by providing financial support, organizing lectures and providing mental support at every event of the institution. An alumni bhawan called 'Satirth Bhawan' valued at Rs. 24,90,146.00/- donated by the alumni is under construction. Conversely, they had a significant impact during the institution's Golden Jubilee celebration. For this celebration, a substantial amount of rupees was donated by them.
