## INSTITUTIONAL DISTINCTIVENESS

Sonari College, a co-educational Institution, is located in Sonari town, the Head Quarter of Charaideo district. It is situated at the juncture of Assam-Arunachal-Nagaland border and admits students from both Arunachal and Nagaland states apart from Assam. The College has been imparting education at the Undergraduate level in Arts and Science streams since its inception. It also has a distance Education study centre under Krishna Kanta Handique State Open University (KKHSOU) since 2008. It has thus been educating generations of students, providing them with ample opportunities for placement in different sectors, government and private. Established in 1970, Sonari College attains distinctiveness in more ways than one.

One of the primary missions of Sonari College is to give specific focus on discovering the interests and inherent talents of students and inspiring them, to give fuller expression to their hidden potentialities.

Another distinctive feature of the institution is that although it is located at the headquarter of the Charaideo district, it draws the majority of students from rural areas and socio-economically disadvantaged background belonging to diverse ethnic groups, tribes and communities.

The college has well qualified faculty members who are interested in the profession of teaching and are student-friendly and ever-approachable. A good number of teachers have achieved Ph.D. degree. They have been working for the holistic development of students, both inside and outside the college campus. They guide and motivate the students not only for their intellectual and academic development but also for fostering human values and sharpening various life skills

## INSTITUTIONAL DISTINCTIVENESS

The economically backward students are benefitted by providing admission under Fee Waiver Scheme of the Government of Assam, scholarships, tutorial classes and counseling by mentors. Moreover, the college provides financial support to them from its Student Poor Fund.

The college felicitates the best graduates of the college in both Arts and Science streams every year on the College Foundation Day (5<sup>th</sup> August) with a certificate and an amount in cash for encouraging and motivating them. A Student Welfare Fund is initiated by the Sonari College Teachers' Unit for rewarding the students.

The College has an updated Library as a learning resource. It felicitates the Best Reader of the year on the Librarian's day (12<sup>th</sup> August) in order to encourage and motivate students to use the library regularly.

The college has signed a number of MoUs with other colleges and institutions for the benefit and development of the students of both the institutions by exchange of faculty for better cooperation and academic achievement and extension of education.

The college encourages students to participate in extracurricular activities through its NSS unit to create a strong sense of social responsibility and accountability for building an equitable and just society. The NSS unit carries out cleanliness and plantation drives, health camps and other sensitization and awareness programmes to ensure it.

The teachers of the college have been popularizing science for children by conducting counselling and awareness programmes in nearby schools for developing scientific temperament under the programme SANSKAR: MANUHE MANUHOR BABE.

## INSTITUTIONAL DISTINCTIVENESS

An MoU has been signed between the College and Totto Chan Children Library and Street Library, Bhogbari, Sapekhati. These libraries aim to develop reading habit among the underprivileged children of the area located at the juncture of Inter State Border of Arunachal Pradesh and Nagaland. The college has donated books to the library.

During the Covid Pandemic, the teaching and non-teaching staffs extended their helping hands to the people in need, by providing food supplies to about 350 families of the area.

Sonari College has adopted 2 model Villages- Naphuk Model Village, Sufrai and Sonalipam Model Village, Sonari. The college actively participates in socio-academic development of the area by organizing awareness programmes on health and hygiene and encouraging the local people to develop scientific temperament. A one-day Awareness Programme on "Symptoms and Precautions Against CORONA VIRUS" was organized on 17-03-2020 in Sonalipam and Guwala Pathar TE. ### Motto

The motto of Sonari college “तेजस्विनावधीतमस्तु” (Tejasvi navadhitamastu) has been extracted from Brahmananda Valli (section on Brahma-bliss) of *Taittiriya Upanishad* (तैत्तिरीय उपनिषद्). Original version was “ॐ सहनाववतु। सहनौभुनक्तु। सहवीर्यकरवावहे। तेजस्विनावधीतमस्तुमाविद्विषावहे। ॐ शान्तिः शान्तिः शान्तिः॥” (Om! May it (Brahman) protect us both (teacher and student)! May we both enjoy knowledge! May we learn together! May our study be brilliant! May we never quarrel! Om! Peace! Peace! Peace!” Here, Tejasvi: fruitful, nau: of us both (teacher and students), adhitam: the learning. Thus, meaning of the motto: May our (teacher and students) learning/study be equally fruitful/ brilliant. The motto was chosen for the college by Prof. Mukunda Madhab Sharma who served as the vice chancellor of Dibrugarh University from July 12, 1992, to July 12, 1997.
